## Guidance

---

The questions below are about your educational, social and economic background. We ask for your home UK postcode when you were age 17. We compare this with the POLAR data about the participation of young people in higher education.

For details of how data from this section is used and to download anonymised data from previous years, please [see the Contextual Admissions section of our website](#).

**Copy from Previous Application** will copy data from applications you **submitted in previous years**. If you previously started an application but did not submit it, you can see it in Previous Applications.

## Questions

---

**Are you the first generation in your immediate family to attend university?**

Your immediate family is your parents and grandparents. If none of them went to university you can answer "yes", even if your brother or sister went to university (because your siblings are the same generation as you).
